Put in the card and power on

- 1 Insert the SIM tool into the hole next to the SIM card tray to pop out the tray.

Make sure you use the correct size of SIM card and don't cut the SIM card.

- 2 Insert the SIM card with the gold contacts down, then gently push the tray into the slot.

eSIM option: your phone may support an eSIM (embedded SIM card) in addition to the physical SIM card. Contact your service provider for details if you want to activate and use it.

Connect with 5G: 5G service plan and 5G network coverage required; available only in selected areas; device not compatible with all 5G networks. Contact your service provider for details.

- 3 Press and hold the power button  to turn on your phone, then follow the prompts to get started.

To turn off your phone, press the power and volume up buttons  +  at the same time.

Energy label: the energy label and product information defined within Regulation (EU) 2023/1669 is available at <https://eprel.ec.europa.eu/screen/home>. Scan the QR Code on the in-box energy label to access the eco-design Product Information Sheet (PIS) within the EU Commission EPREL database.

Scan with your **Camera** app for how-to videos. Or visit motorola.com/g57power/row.

Help and more

Get answers, updates and info:

- **Help is here:** from the Home screen, swipe up and tap **Settings > Help** to learn how to use your phone and get support.
- **Get more:** get software, user guides and more at www.motorola.com/mymotog.

Legal information. This guide provides important legal, safety and regulatory information that you should read before using your product. For the complete legal information, from the Home screen swipe up and tap **Settings > Q**, then type **Legal Information**, or visit www.motorola.com/device-legal.

Dust and water resistance. For detailed information about your phone's dust and water resistance design and care tips, swipe up and tap **Settings > Help**, or refer to the *user guide*.

Charging and battery safety. The battery in your phone can be removed by suitably competent individuals following Motorola-approved repair and service manuals. To prevent possible burning and injury, always follow the instructions provided. If your phone becomes unresponsive, press and hold the power button until the screen goes dark and your phone restarts.

The phone supports QC and USB PD fast charging. The power delivered by the charger must be between min 5 Watts required by the radio equipment, and max 30 Watts in order to achieve the maximum charging speed. For the fastest charging speed, choose a Motorola 33W or higher USB-A QC (Quick Charge) charger (may be sold separately) with the included QC cable, or a Motorola 30W or higher USB-C PD (Power Delivery) charger and compatible PD cable (both sold separately). Use of other chargers is not recommended and may impair the charging performance.

Chargers that do not comply with applicable national standards may be unsafe, with risk of death or injury, and may cause slow charging or product damage. Don't charge your phone in temperatures below -20°C or above 45°C. To view applicable standards and to learn more, see the "Legal information" section of this guide or visit www.motorola.com/device-legal.

Warning about high volume usage. To prevent possible hearing damage, do not listen at high volume levels for long periods. When your headset volume reaches the high volume threshold, a warning will be shown. Tap **OK** to dismiss it, or wait one to five seconds, then press the volume up button to dismiss the alert and enable the volume to continue to be adjusted.

Disposal and recycling. Don't dispose of your battery or mobile device with your household waste. For help recycling products and packaging responsibly, visit www.motorola.com/recycling.

Extreme heat or cold. Don't use your phone in temperatures below -20°C or above 45°C. Don't store or transport your phone in temperatures below -20°C or above 60°C.

Legal disclaimers. Features, services and applications are network dependent and may not be available in all areas; additional terms/charges may apply.
