Product Overview

Read this manual carefully before use, and retain it for future reference.

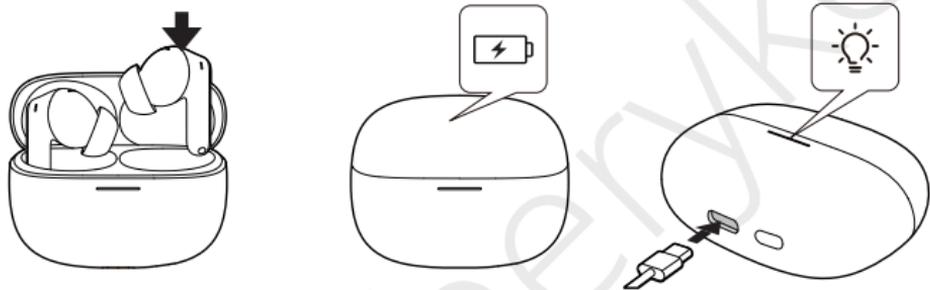

Package Contents

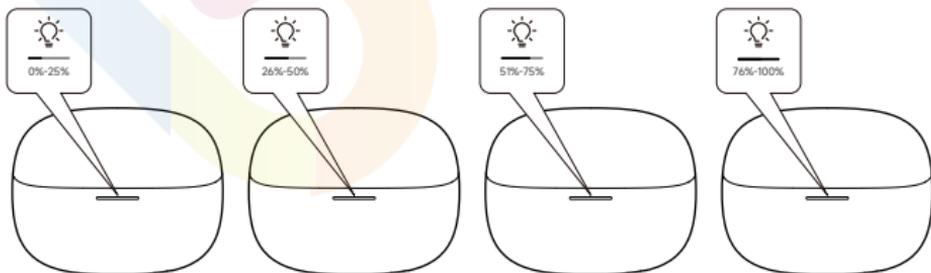

Charging

Charging the earbuds: Place the earbuds into the charging case, and the case will start charging the earbuds.
Charging the case: Use a Type-C charging cable to charge the case. The indicator turns off when charging is complete.

Battery Level Display

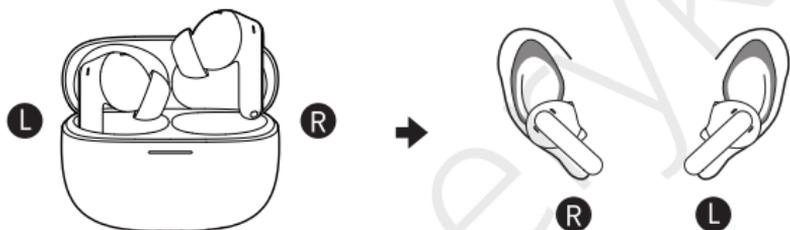

Press the button on the bottom of the charging case to display the battery level.

Wearing

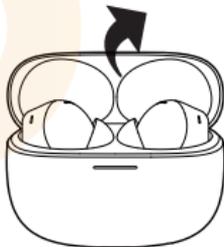

The product comes pre-installed with M-size ear tips.

For optimal noise cancellation and sound quality, it is recommended to select the most suitable ear tip size and perform a fit test using the Xiaomi Phone or Xiaomi Earbuds App.

Turning on

When opening the charging case, the earbuds will automatically turn on.

Sleep Mode

Place the earbuds back into the charging case and close the lid, the earbuds will disconnect and go into sleep mode automatically.

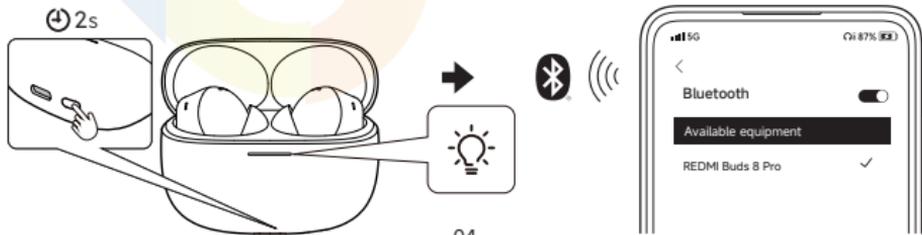

Connect & Pair

1. Open the charging case lid and keep it open with both earbuds inside. Press and hold the bottom button of the charging case for 2 seconds until the indicator flashes. The earbuds then enter pairing mode.
2. Activate your device's Bluetooth, find and connect to the earbuds in the menu.

Note: Opening the case lid for the first time automatically activates pairing mode.

In daily use, opening the charging case lid will automatically reconnect the earbuds to the last paired Bluetooth device. (Bluetooth device must be within earbuds' connection range.)

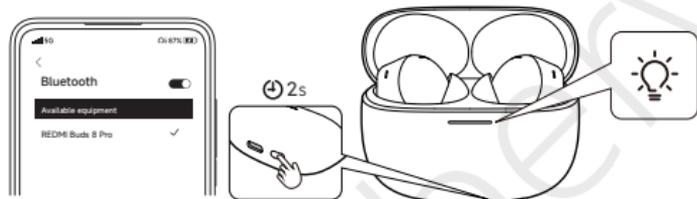

Dual-Device Connection

The earbuds can be simultaneously connected to two Bluetooth devices.

After connecting the earbuds to the first Bluetooth device, place them back in the charging case and keep the lid open. Press and hold the button on the bottom of the case for 2 seconds until the indicator light blinks to enter pairing mode for a second device. Once pairing is complete, the earbuds will automatically connect to both devices.

Important Safety Information

Before using and operating this device, read the following precautions to ensure an optimal device performance and avoid dangerous use or unauthorized operations.

- Product information and certification marks are located inside the charging case and on the earbuds.
- Do not use the earbuds while driving, and comply with the relevant regulations in your region or country.
- Only use the power adapters that comply with the local safety standards or certified and supplied by qualified manufacturers.
- Do not disassemble, strike, crush or throw the product into fire, as it may cause an explosion.
- The product contains a built-in, non-removable lithium battery. Do not replace the battery yourself. To avoid damage to the battery or the product, do not disassemble or modify the battery or the device. Battery replacement must be performed by an authorized service center and must use the same model battery; replacing it with an incorrect type may defeat safety protections (e.g., fire, explosion, electrolyte leakage). If the battery is swollen, stop using the product immediately. Do not dispose of used batteries in household waste or landfills; dispose of this product and its used batteries in accordance with local laws and regulations.

- Do not put the battery into a fire or a hot oven, or mechanically crush or cut the battery, which could cause it to explode.
- Do not use this product during thunderstorms. Thunderstorms may cause the product to malfunction and increase the risk of electric shocks.
- Leaving the battery in an extremely high temperature environment may result in an explosion or the leakage of flammable liquid or gas.
- Subjecting the battery to extremely low air pressure may result in an explosion or the leakage of flammable liquid or gas.
- These earbuds and their accessories may contain small parts. Please keep them out of the reach of children.
- Please stop using the product immediately and seek medical assistance if the contact area on your skin shows signs of redness or swelling.

Enabling noise canceling may affect your awareness of surrounding sounds and alarms. Ensure that you are in a safe environment before using this function.

- To prevent possible hearing loss, do not use this product at high volume for long periods of time.
-  The symbol indicates DC voltage.

WARRANTY NOTICE (AUSTRALIA ONLY)

THIS WARRANTY NOTICE ("this Warranty") APPLIES TO GOODS PURCHASED DIRECTLY FROM XIAOMI OR AN OFFICIAL RESELLER OF XIAOMI IN AUSTRALIA. THIS WARRANTY SERVES TO HIGHLIGHT PROTECTIONS OFFERED BY XIAOMI, IN ADDITION TO YOUR STATUTORY RIGHTS UNDER THE AUSTRALIAN CONSUMER LAW AND OTHER APPLICABLE AUSTRALIAN LAWS. THIS WARRANTY DOES NOT EXCLUDE, RESTRICT OR MODIFY ANY RIGHTS YOU MAY HAVE UNDER THE AUSTRALIAN CONSUMER LAW OR ANY OTHER APPLICABLE LAWS IN AUSTRALIA. FOR A FULL UNDERSTANDING OF YOUR STATUTORY RIGHTS, YOU ARE INVITED TO CONSULT THE LAWS OF AUSTRALIA.

Please be reminded, our goods and services come with guarantees that cannot be excluded under the Australian Consumer Law. For major failures with the service, you are entitled:

- to cancel your service contract with us; and
- to a refund for the unused portion, or to compensation for its reduced value.

You are also entitled to choose a refund or replacement for major failures with goods.

If a failure with the goods or a service does not amount to a major failure, you are entitled to have the failure rectified in a reasonable time. If this is not done you are entitled to a refund for the goods and to cancel the contract for the service and obtain a refund of any unused portion.

You are also entitled to be compensated for any other reasonably foreseeable loss or damage from a failure in the goods or service.

1. LIMITED WARRANTY

- a) Xiaomi Technology Australia Pty Ltd (“Xiaomi”) warrants that its products are free from defects in material, design and workmanship under normal use as described in the user guide during the warranty period.
- b) This Warranty is valid only in Australia and applies exclusively to Xiaomi product purchased from Xiaomi or its official resellers in Australia (“Xiaomi product”). In any case, your rights under this Warranty apply only to the product manufactured by or for Xiaomi and identifiable by the “Xiaomi”, “Mi”, “Redmi” or “POCO” trademark, trade name or logo affixed to it. If you purchase product from unauthorised sellers, please contact the sellers directly.
- c) This Warranty does not guarantee that the use of Xiaomi products will operate without interruption or be free from errors.
- d) This Warranty applies only to the hardware components of Xiaomi products as originally supplied. It does not apply to any software or consumables or equipment of third parties, which may be subject to separate warranties or terms. However, your rights under the Australian Consumer Law (including guarantees relating to acceptable quality and fitness for purpose) and other applicable Australian laws still apply to all Xiaomi products, where relevant.

2. WARRANTY PERIOD

The warranty period for this product you purchased is 2 years, commencing from the date of original purchase, as shown on your proof of purchase, such as the receipt. The in-box charger and cable are covered by a 12-month warranty from the same original purchase date.

3. REMEDIES

- a) If a hardware defect is found and a valid claim is received by Xiaomi within the warranty period, Xiaomi will either (1) repair Xiaomi product at no charge, use new or refurbished replacement parts, (2) replace Xiaomi product with a new or refurbished product, or (3) refund Xiaomi product.
- b) Xiaomi products presented for repair may be replaced by refurbished Xiaomi products of the same type rather than being repaired. Refurbished parts may be used to repair the Xiaomi products.
- c) Any replacement hardware product will be warranted for the remainder of the original warranty period or three months, whichever is longer, or for any additional period of time that may be applicable in your jurisdiction.
- d) Replacement or repair of your Xiaomi product may result in the loss of data. Please ensure that you have made a copy of any data saved, stored or preserved on your Xiaomi product, it is likely that such data, software, or other materials will be lost or reformatted during service, and Xiaomi will not be responsible for any such damage or loss.
- e) To make a claim under this Warranty, please contact Xiaomi Contact Centre at (TEL: 1800270852). When necessary, you will need to deliver the related product in its original packaging or similar

packaging providing an equal degree of product protection, to the address specified by Xiaomi or Xiaomi Contact Centre or Xiaomi Authorised Service Centre. Except to the extent prohibited by applicable law, Xiaomi may require you to provide proof of purchase. Except to the extent prohibited by applicable law, a claim will not be considered formally lodged until such proof of purchase has been received by Xiaomi or Xiaomi Authorised Service Centre. This requirement does not affect your statutory rights.

f) If, upon receipt and assessment of a claim, Xiaomi or Xiaomi Authorised Service Centre determines that your claim is valid under this Warranty, Xiaomi or Xiaomi Authorised Service Centre will repair or replace the product at no cost to you.

g) If, upon receipt and assessment of a claim, Xiaomi or Xiaomi Authorised Service Centre determines that your claim is invalid under this Warranty, Xiaomi or Xiaomi Authorised Service Centre may charge you for any labour, parts or transport costs incurred by Xiaomi or Xiaomi Authorised Service Centre in processing your claim.

4. EXCLUSIONS AND LIMITATIONS

a) Unless stated otherwise, this Warranty does not cover any loss resulting from normal wear and tear, fire, water damage (including liquid spillage or ingress), theft, or infestation by vermin or insects.

b) The exclusion for water damage does not apply to Xiaomi products that carry a certified water resistance rating, which specifically refers to the certification of IP68. However, IP68 warranty coverage is depending on internal assessment of Xiaomi or Xiaomi Authorised Service Centre. The IP68 warranty coverage is excluded where evidence of exposure to seawater, beverages, hot liquids or any liquids ingress other than clean and fresh cold water is found. This exclusion does not affect your statutory rights under applicable Australian laws.

c) This Warranty does not apply to any damage caused by (a) acts of nature or God, for example, lightning strikes, tornadoes, flood, fire, earthquake or other external causes; (b) negligence; (c) commercial use; (d) alterations or modifications to any part of the product; (e) use with non-Xiaomi products; (f) accident, abuse or misuse; (g) operating the product outside the permitted or intended uses described by Xiaomi or with improper voltage or power supply; (h) service (including but not limited to upgrades and expansions) performed by anyone who is not a representative of Xiaomi; (i) failure to follow instructions related to product usage (as outlined in the user guide/manual, on Xiaomi's website, or in the manufacturer's guidelines provided with or for the Xiaomi products).

d) Please back up and delete all personal information from your device before submission for repair to avoid any unexpected data loss. Please note that Xiaomi and Xiaomi Authorised Service Centre cannot be held responsible for any data loss that may occur during the repair process.

e) Recovery and reinstallation of software programs and user data are not covered under this Warranty. No Xiaomi's official reseller, agent, or employee is authorised to make any modification, extension, or addition to this Warranty. If any term of this Warranty is held to be illegal or unenforceable, the remaining terms of this Warranty will remain in full force and effect.

f) Some models of Xiaomi products are sold with an International Warranty, you can check the following link (<https://www.mi.com/global/support/xiaomi-iws/>) to verify whether your Xiaomi product is provided

with such International Warranty. Except where your Xiaomi product is sold with an International Warranty (<https://www.mi.com/global/support/xiaomi-iws/>), to the fullest extent permitted by applicable law, the service under this Warranty is valid only in Australia.

- g) Products that were not duly imported and/or were not duly manufactured by or for Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official reseller are not covered by the present Warranty. As per applicable law you may benefit from warranties from the non-official seller who sold the product. Therefore, Xiaomi invites you to contact the seller from whom you purchased the product.
- h) This Warranty does not limit or affect any statutory rights you may have under applicable Australian laws with respect to Xiaomi products.

5. IMPLIED WARRANTIES

- a) Except to the extent prohibited by applicable law, all implied warranties (including warranties of merchantability and fitness for a particular purpose) will have a limited duration up to a maximum duration of this limited warranty.
- b) Some jurisdictions do not allow limitations on the duration of an implied warranty, so the above limitation will not be applied in these cases.

6. DAMAGE LIMITATION

- a) Except to the extent prohibited by applicable law, Xiaomi shall not be liable for any incidental, indirect, special or consequential damages, including but not limited to loss of profits, revenue or data, damages resulting from any breach of express or implied warranty or condition, or under any other legal theory, even if Xiaomi has been informed of the possibility of such damages.
- b) Some jurisdictions do not allow the exclusion or limitation of special, indirect, or consequential damages, so the above limitation or exclusion may not apply to you.

7. XIAOMI CONTACTS

For more information, you can refer to our warranty policy via <https://www.mi.com/au/support/warranty/>

The contact person for the after-sales service may be any person in Xiaomi's authorised service network or Xiaomi's official reseller who sold the products to you. If in doubt please contact the relevant person as Xiaomi may identify.

The above warranty is given by Xiaomi Technology Australia Pty Ltd (ACN: 685 941 244), C/- Vistra (Australia), Suite 902, Level 9, 146 Arthur St, North Sydney NSW 2060; Tel: 1800270852.

WARRANTY NOTICE

As a Xiaomi consumer, you benefit under certain conditions from additional warranties. Xiaomi offers specific consumer warranty benefits which are in addition to, and not instead of, any legal warranties provided by your national consumer law. The duration and conditions related to the legal warranties are provided by respective local laws. For more information about the consumer warranty benefits, please refer to Xiaomi's official website <https://www.mi.com/global/support/warranty>. Except as prohibited by laws or otherwise promised by Xiaomi, the after-sales services shall be limited to the country or region of the original purchase. Under the consumer warranty, to the fullest extent permitted by law, Xiaomi will, at its discretion, repair, replace or refund your product. Normal wear and tear, force majeure, abuse or damage caused by the user's negligence or fault are not warranted. The contact person for the after-sale service may be any person in Xiaomi's authorized service network, Xiaomi's authorized distributors or the final vendor who sold the products to you. If in doubt please contact the relevant person as Xiaomi may identify.

Products which were not duly imported and/or were not duly manufactured by Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official seller are not covered by the present warranties. As per applicable law you may benefit from warranties from the non-official retailer who sold the product. Therefore, Xiaomi invites you to contact the retailer from whom you purchased the product.

FCC Compliance Statements

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

ISED Compliance Statements

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s).

Operation is subject to the following two conditions:

- (1) This device may not cause interference.
- (2) This device must accept any interference, including interference that may cause undesired operation of the device.

This equipment complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment.

RF Exposure Compliance

This equipment complies with FCC/ISED radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This equipment should be installed and operated with minimum distance 0 mm between the radiator and your Head.

The portable device is designed to meet the requirements for exposure to radio waves established by the FCC/ISED. These requirements set a SAR limit of 1.6 W/kg averaged over one gram of tissue. The highest SAR value reported under this standard during product certification for use when properly worn on the Head, with 0mm separation.
